Iguazu consists of over 275 separate cataracts across a span of two and one-half miles, wider than Victoria Falls, higher than Niagara Falls and more dramatic than both. Stand in awe at the unforgettable panoramic views before crossing the border to Iguazu, the Argentinean side of the Falls, for the night. After a day filled with unforgettable memories, return to your hotel with unforgettable memories. Tonight, enjoy a typical Argentine dinner together at our hotel. **(B, D)**
